

43rd Feast of the Hunters' Moon - October 2 & 3, 2010

Military Participant Application

Thank you for your interest in participating in the 43rd Feast of the Hunters' Moon. We hope to see you October 2nd and 3rd. This event strives to give both the public and the participants a realistic portrayal of people, cultures, and lifestyles that existed on the French and English colonial frontier in the Great Lakes region during the time of Fort Ouiatenon, which encompassed the period from 1717-1791. We want to interpret this time and place as accurately as possible in order to offer the public an educational and unforgettable experience, and also to honor the people who lived here. The Forces of Montcalm and Wolfe and the Northwest Territory Alliance are the re-enactors of military life & operations at Fort Ouiatenon. Registration can be done by the Unit Commander with this military unit application. Independent units should consult with the Feast Coordinator for more information on registration. Military personnel requiring modern camping should use this form (Section 3 – Modern Camping) to request a camp site.

Please be sure to fill out each applicable section completely. This application may be photocopied and must be postmarked by **August 1, 2010**. Applications received **after** the deadline will be accepted and placed on a space available basis. Send this application form to: 2010 FEAST REGISTRATION, TCHA, 1001 SOUTH STREET, LAFAYETTE, IN 47901-1414. If you wish to FAX this application, TCHA's FAX number is 765-476-8414.

Feast Thursday and Friday Activities - Help us welcome the children!

Our Special Kids' Day & Feast Friday School Day have been great successes in the past and the Feast Committee thanks our participants and their wonderful cooperation in helping in previous years. Only units that have registered to participate in these two days will be included in the student visitation rotation. Participation is voluntary.

Thursday Special Kids' Day (9/30) Special needs students from Tippecanoe and surrounding counties are invited to participate in our Special Kids' Day. We expect about 600 students. The day is such a success because of the interaction between the students & Feast participants who generously share their time and skills with us. This activity runs from 10am-1:30pm

Feast Friday School Day (10/1) We expect over 2,500 excited children to attend. Share your special talents and love of history with young people by becoming involved in School Day and mentoring these elementary school level Feast visitors and living history enthusiasts of tomorrow. This activity runs from 9am-12:30pm.
